Terms and Conditions

I-Comm Connect LLC ("ICC" or "Company") provides its TACTAL Software as a Service ("SaaS") product (the "Service") to its customers ("you"), through a license under US Patent 8,520,661 (www.icommconnect.com/patents), as described more fully on the Internet at www.icommconnect.com (the "Website").

IMPORTANT: The terms, conditions, and guidelines associated with the use of the Service are set forth in this Terms of Use agreement, ICC's Privacy Policy as currently in effect or amended from time to time and available at the Website, and ICC's Acceptable Use Policy as currently in effect or amended from time to time and available at the Website (collectively the "TOU"). Please read the TOU carefully before activating or using an account with ICC for the Service. By registering for the Service, and using the Service, you agree to be bound by, abide fully with and accept all of the terms, conditions, and guidelines set forth in the TOU.

ICC reserves the right to amend the pricing of the Service at any time with 30 days prior notice. Any changes to the Service pricing will be effective following posting of such change to the Website and payable commencing with the next billing cycle following the 30 Day Notice Period. Any notice may be communicated in or as part of an invoice or on a separate email communication to your Client Administrator assigned and maintained by your organization through the TACTAL administration portal at admin.icommconnect.com.

Please note that ICC may change the TOU (except for pricing) at any time with or without notice, and such changes will be effective immediately upon the posting of such modified TOU on the Website. Your use of the Service after any such changes have been posted on the Website constitutes your acceptance of all changes.

Please also note that at any time, if it is determined by ICC that you have abused or violated the letter, spirit, or intent of any of the TOU, ICC reserves the right, in its sole discretion, to terminate or suspend your account immediately without notice to you and penalty or liability of any kind to ICC.

The Service is being offered only to natural persons age eighteen (18) years or older and legal entities whose authorized principals are age eighteen (18) years or older. By registering for the Service, and using the Service, you hereby represent and warrant to ICC that you are a natural person or authorized representative of a legal entity who is age 18 years or older.

ICC shall not be responsible for service issues within your ISP and such issues shall not alleviate your responsibility to pay for the Service regardless of your ability to access it due to ISP issues. The fees paid by you to ICC are only for the Service. You are responsible for all charges associated with your telephone, all telephony equipment, long distance charges and charges for connecting to the Internet. You agree that any telephone or other communications mode charges incurred are your sole responsibility. You may be subject to other charges from your phone company in addition to the fees you are being charged for the Service.

You agree to provide ICC with accurate and complete registration and payment information, and agree to keep that information updated at all times. Failure to do so constitutes a breach of this TOU.

Upon registering for the Service, you will receive a password. It is solely your responsibility to keep your account information and password secure. You may not disclose your password to anyone except persons that you have authorized to use your account. You hereby assume all liability of any kind arising out of or related to the use of the Service by such authorized person(s). You hereby expressly release and indemnify ICC from, and hereby assume all liability and damages of any kind arising out of or related to, all activities conducted through your account on the Service by any persons, whether or not such persons are authorized by you to use the Service. You agree to notify ICC immediately of any unauthorized use of your account or any other breach of security you know of or suspect.

CONTENT

You are solely responsible for all content, data, materials, or information you transmit via the Service (collectively, "Content"). ICC provides unfiltered services, which means that Content is not routinely reviewed before being transmitted through the Service, and ICC will have no liability related to the content of any such communications, whether or not arising under the laws of copyright, patent, trade secret, defamation, privacy, obscenity, or otherwise. Furthermore, ICC shall not be responsible for any unsolicited telephone calls (e.g., telemarketing calls) or calls made by any type of payphones received by you through the Service. ICC does not control Content accessed, posted, recorded, or otherwise transmitted or received via the Service and does not guarantee the accuracy, integrity or quality of such Content. Under no circumstances will ICC be liable for any Content accessed, retrieved, recorded, heard, posted, or otherwise transmitted or received via the Service, regardless of where or

how it originated.

2. This right of use does not include any resale or commercial use of the Service, the Website or its contents; any collection or use of any product listings, descriptions, or prices; any derivative use of this site or its contents; any downloading or copying of account information; or any use of data mining, robots, or similar data gathering and extraction tools. Any unauthorized use terminates the permission or right of use granted by the Company. You are granted a limited, revocable, and nonexclusive right to create a hyperlink to the home page of the Company www.icommconnect.com so long as the link does not portray the Company, or its products or services, in a false, misleading, derogatory, or offensive manner.

The Company does not claim ownership of any information, data, text, communications, software or graphics, music, sound, photographs, video, messages or other materials (each, "Content") you submit or make available for inclusion on the Website. The Company has found it necessary to adopt this policy because some companies in our industry have had claims made against them by people who allege that a company used an idea, even though the company had received only the most general of concepts. Since the employees of the Company are constantly working on a number of ideas in many areas, some of which might be similar to an idea you seek to send to the Company, we cannot accept any outside submissions or the risks associated with these submissions.

Because the Company has no control over such sites and resources, you acknowledge and agree that the Company is not responsible for the availability of such external sites or resources, and does not endorse and is not responsible or liable for any Content, advertising, products, or other materials on or available from such sites or resources. You further acknowledge and agree that the Company shall not be responsible or liable, directly or indirectly, for any damage or

loss caused or alleged to be caused by or in connection with use of or reliance on any such Content, goods or services available on or through any such site or resource.

All software used on this site is the property of the Company or its software suppliers and is protected by U.S. and international copyright laws. You acknowledge and agree that the Website contains proprietary and confidential information that is protected by applicable U.S. and international intellectual property and other laws. Unless you have written permission, you agree not to display or use in any manner, the Company Marks.

You and ICC agree that any cause of action arising out of or related to the TOU, the Service or the Website must commence within one (1) year after the events giving rise to the cause of action first arose; otherwise, such cause of action is permanently barred. ICC's failure in any instance to exercise or enforce any right or provision of

the TOU shall not constitute a waiver of such right or provision unless acknowledged and agreed to by ICC in writing.

You expressly agree that exclusive jurisdiction and venue for any claim or dispute with the Service or relating in any way to your account or your use of the Website resides in the state and federal courts sitting in the County of Cumberland, Maine, and you further agree and expressly consent to the exercise of personal jurisdiction in the courts of Cumberland County, Maine in connection with any such dispute including any claim involving the Company or its affiliates, subsidiaries, employees, contractors, officers, directors, telecommunication providers and content providers.

Customer acknowledges it has communicated this limitation to its employees and agrees to indemnify and hold ICC harmless from any damages claimed or assessed against ICC for the inability to access 911 or E-911 services.

3.5 Early Termination Fee. In the event Service is cancelled or terminated ("Terminated") prior to conclusion of its term, Customer shall pay an Early Termination Fee to Company. Customer acknowledges that the Early Termination Fee is reasonably calculated to reimburse Company for the rate concessions Company provided to Customer in exchange for the term(s) specified herein. The Early Termination Fee shall be determined as follows:

Upon notice by Customer to terminate this Service prior to conclusion of its term or termination by Company due to a breach of this TOU or non-payment of fees charged to Customer, Customer, in addition to having to pay all past due amounts, shall also be liable for an amount equal to the average of Customer's monthly invoices over the three(3) month period prior to the effective date of termination, multiplied by the months remaining in the term (but for the early termination) the sum of which will be the Early Termination Fee.

The Early Termination Fee shall be due and payable to Company on the effective date of termination in a lump sum payment.

3.6. Headings. The section titles in the TOU are solely used for the convenience of the parties and have no legal or contractual significance. The TOU constitutes the entire agreement between you and ICC with respect to the subject matter herein and
